Summary

Highly skilled in Aeronautics Engineering, Aircraft-Helicopter Electrical Troubleshooting, IT troubleshooting and Computer Networking. My new "rockets" are a Bachelor of Science - BS focused in Physical - Life Sciences from Hellenic Open University and a Master on Chemical and Biomolecular Analysis. Teaching : Robotics (Lego Academy Certified), Molecular & Cellular Biology and Quantum Physics.

Experience

Chief Technology Officer

Agrotech Innovations Ltd.

Sep 2023 - Present (6 months)

PR Manager - Board Member

BioCircularity SCE

Jan 2023 - Present (1 year 2 months)

<https://biocircularity.eu/>

Executive Education Instructor

BioCircularity SCE

Nov 2022 - Present (1 year 4 months)

<https://biocircularity.eu/>

Robotics Trainer

University of Macedonia Robotics Academy

Sep 2022 - Present (1 year 6 months)

Operational Meteorologist

Hellenic Aviation

Nov 2022 - Present (1 year 4 months)

Flight Test Engineer

Hellenic Aviation

Jul 2010 - Present (13 years 8 months)

Robotics Mentor - Trainer

N/A

Oct 2017 - Present (6 years 5 months)

My role involved guiding and instructing individuals or groups in the field of robotics: Teaching Robotics Concepts, Providing Technical Guidance, Demonstrating Robotic Systems, Conducting Workshops and Training Sessions, Mentoring and Problem-Solving, Collaborating on Projects and Keeping Up with Advancements.

My primary goal is to empower and inspire individuals to explore the exciting world of robotics, nurture their passion, and equip them with the necessary skills to succeed in their field.

Helicopter Technical Inspector

Hellenic Aviation

Jul 2021 - Nov 2022 (1 year 5 months)

Robotics Trainer

Centre of Creative Activities for Children

Sep 2020 - Sep 2022 (2 years 1 month)

Information Technology Network Specialist

Freelance

Sep 2003 - Feb 2022 (18 years 6 months)

Apple Service Technician Specialist (Not certified)

Copylab

Apr 2008 - Mar 2020 (12 years)

AH-64A X-ray (Electrical and Armament Systems Repairer)

Hellenic Aviation

Aug 2003 - Aug 2015 (12 years 1 month)

Information Technology Specialist

EPSILON NET

May 2004 - Sep 2006 (2 years 5 months)

Ypsilon Computers Gold Partner of Epsilon Net

IT Specialist

Proton

May 1999 - Feb 2003 (3 years 10 months)

Our major project was the networking infrastructure of the new Police Department of Katerini

Statistical Data Analyst

Galanis Sports Data S.A.

Sep 2000 - Oct 2002 (2 years 2 months)

Collecting and handling the official statistics for numerous sporting events including: the European League, the Greek National Handball Championship, Greek Football League and the Greek Basketball Championship. Providing services including: incorporating operation with live online screen results in

cooperation with International TV Stations and statistics updates to the official web sites, such as the Hellenic Basketball Federation and the Euroleague.
Coverage of numerous International Track & Field events

Education

Play Included

Training Development Program, Brick-by-Brick® programme
Jan 2023 - Apr 2023
LEGO bricks based therapy

Hellenic Open University

Master of Science - MSc, Chemical and Biomolecular Analysis
Jan 2021 - Aug 2022
Modern Methods for Identification and Determination of Metabolic Biomarkers of Cancer - Potential Applications.

Nottingham Trent University

Master of Business Administration - MBA, Business Administration and Management,
Competing in a Networked Economy
2007 - 2009

Hellenic Open University

Bachelor's degree -BS, Life Sciences
2011 - 2020
Physics, chemistry, alot of math and of course many hours of research in biochemical and genetic laboratories.

National Center for Public Administration and Local Government

Certificate, Risk Management
2014 - 2014

Hellenic Navy

Certificate, Modular Amphibious Egress Training “Helo Dunker”
2009 - 2009

Human Asset

Diploma in Training and Development, Distance Learning
2007 - 2007
Money Show 2007

Aerotechnic

Technical School - College , Aeronautical/Aerospace Engineering Technology/
Technician
2000 - 2003

Licenses & Certifications

-  **Robotics Trainer for kids LEGO WeDo2** - LEGO Education
GR25039243

-  **Introduction to Programming Using Python** - University of Michigan
C4BRTEW35EE4

-  **Cyber Defence Awareness** - NATO Cooperative Cyber Defence Centre of Excellence (CCDCOE)

-  **Information Security Management System** - NATO Cooperative Cyber Defence Centre of Excellence (CCDCOE)

-  **Network and Log Monitoring** - NATO Cooperative Cyber Defence Centre of Excellence (CCDCOE)

-  **Exemplary Teaching of Physics with Digital Media** - Klett Hellas

-  **EU Code Week 2021 Contributor** - EU Code Week

-  **Robotics Trainer for Kids LEGO Spike Essential** - LEGO Education
GR14190259

-  **EU Code Week 2020 Contributor** - EU Code Week

-  **EU Code Week 2022 Contributor** - EU Code Week

-  **Brick by Brick Programme** - Play Included C.I.C.

-  **Robotics Trainer for Kids LEGO Spike Prime** - LEGO Education

- Centre for European Constitutional Law Themistocles and Dimitris Tsatsos Foundation** - GRI Reporting

5th International School of Circular Bioeconomy and Sustainability - National & Kapodistrian University of Athens
Issued Jul 2023 - Expires Jul 2023

Digital Humanitarianism - Mathesis@Crete University Press
415257f1cfa346688353f9d7e95bb362

International Summer School for Circular Bioeconomy and Sustainable Development - Center of Continuing Education and Lifelong Learning of the National and Kapodistrian University of Athens

Skills

Robotics Knowledge • Technical Proficiency • Teaching and Communication • Mentoring and Guidance
• Adaptability and Continuous Learning • Financial Reporting • International Financial Reporting Standards (IFRS) • Reporting & Analysis • Reporting • Sustainable Development
